

Web Styledown – CSS Styling Challenge Event

Event Overview:

Web Styledown is a CSS styling challenge where participants are given a pre-written HTML front-page template. Their goal is to creatively style the page using CSS and ensure responsiveness across different screen sizes (desktop, tablet, and mobile). Participants can also modify the HTML as needed. The event is designed to test creativity, technical proficiency, and responsiveness, all within a 50-hour timeframe.

Event Details:

- **Format:** CSS Styling Challenge
- **Submission Method:** GitHub Repository (through Google Form)
- **Team Composition:** Individual
- **Registration Fee:** Free
- **Eligibility:** Open to all university students
- **Languages Allowed:** HTML, CSS (Optional: JavaScript for interactivity)

Event Duration:

Stage	Date	Time (IST)
Registration Start	Monday	10:00 PM IST
Registration End	Thursday	11:59 PM IST
Event Start	Friday	8:00 PM IST
Event Duration	Friday to Sunday	50 hours
Submission Deadline	Sunday	10:00 PM IST
Result Announcement	Following Week	Exact Date TBD

Marking and Judging Criteria:

Criteria	Weight	Details
Creativity	60%	Unique, visually appealing, and innovative designs.
Responsiveness	15%	Adaptability across different screen sizes (desktop, tablet, mobile).
Code Quality	10%	Clean, organized, and efficient CSS and HTML code.
Originality	15%	Use of original styling techniques and custom CSS, not relying on frameworks.

Registration Process Timeline:

1. Registration Start

- **Date & Time:** Monday, 8:00 PM IST
- **Details:** Registration opens. Participants can register via the Google Form link shared on our website, social media handles, and through emails sent to participating colleges and student POCs.
- **Date & Time:** Friday, 7:00 PM to 8:00 PM IST

2. Submission Deadline

- **Date & Time:** Sunday, 10:00 PM IST
- **Details:** Participants must submit their projects via a Google Form that will be sent to their registered email IDs. The submission should include:
 - A link to the GitHub repository containing the project.
 - A snapshot of the project to showcase the work.

Rules and Guidelines:

1. Provided Assets:

- Pre-written HTML template with required images, icons, and assets for styling.
- Basic structure and instructions for customization.

2. CSS Styling Requirements:

- **Custom CSS** is mandatory. Participants can use external CSS libraries but should demonstrate original design work.
- **Responsiveness** is key. The design should adjust correctly on various screen sizes (desktop, tablet, and mobile).
- Clean, organized, and well-commented code is essential.

3. Submission Method:

- All final designs must be submitted via a **GitHub repository** link (through Google form) by the **Sunday 10:00 PM IST** deadline.
- Late submissions will **not** be accepted.

Prizes and Recognition:

• Winner Recognition:

- E-certificates for top performers from ACM-XIM University.
- Recognition and posts on **social media handles** (Instagram, LinkedIn).
